Editor's Update

Welcome to the first newsletter of 2022, I hope all readers had a wonderful Christmas and on behalf of the HCA, I wish you all an excellent new year.

I would like to take a few moments to thank Emma Holland for organizing a very successful Christmas Fayre on 4th December 2021. The event culminated in the Christmas tree light switch on, which looked fabulous. Local MP, Craig Tracey, was delayed but did attend whilst the clean-up was in progress. He was very impressed with the tree and the effort to keep the community entertained. We have lots of plans for 2022 and I look forward to his ongoing support.

The Committee Room in the village hall has been refurbished and is now available to hire for smaller groups. It's ideal for meetings and we will soon have a projector installed.

It is great to hear that our Postmaster, Jim is making steady recovery and we wish him well and look forward to seeing him again soon.

Details of up-coming events and other interesting information is available on the Notice Board outside the hall.

Best Wishes John Given

Upcoming Events

When: Sunday 17th April 2022

Where: around the Village

The HCA is organizing an Easter Egg Hunt to take place within the village and surrounding areas

We are at the early planning stages right now but if you would like to volunteer to help with the organizing please contact the editor. Thank you

When: Saturday 27th August 2022

Where: Hurley Kings Sports Field

The 2022 Hurley Fun Day will follow on similar to last year's event with Live Music, Food and Drink Stalls, Entertainment, Games, Activities, Market Stalls and much more

So dust off those picnic blankets and let's have a party...

Her Majesty The Queen's Platinum Jubilee

To celebrate this unprecedented anniversary, events and initiatives will take place throughout the year, culminating in a four-day UK bank holiday weekend from Thursday 2nd to Sunday 5th June. The bank holiday will provide an opportunity for communities and people throughout the United Kingdom to come together to celebrate the historic milestone.

The HCA has taken the decision not to organize a specific event (our efforts will be focusing on the Summer Fun Day). We are hoping that the village will re-create the Silver Jubilee Street parties in 1977, where streets, or a number of streets, form individual organizing committees and set up themselves.

We will hold a meeting at the Village Hall on **22nd February** from **7pm**. Everyone is welcome, so come along and bring ideas and questions.

The HCA will facilitate and provide support where required, look at available funding and road closures etc. Let us make this a memorable day for all

In loving memory

Since the November newsletter we have sadly lost four wonderful members of our community. Gone but not forgotten and a valuable reminder that the community must come together at these times to support the families and loved ones where possible.

At present the HCA, on behalf of the community, delivers flowers and a card to the families of those who have sadly passed. Moving forward we want to extend this gesture to celebrate events such as new births, marriages, or other noteworthy occasions.

Word of mouth is crucial, please email hurleynewsletter@gmail.com or contact any HCA member.

What's On... KEVIN JONES YOGA & PILATES

www.yogaclassesintamworth.co.uk

My name is Kevin & I have been leading Yoga & Pilates classes across Tamworth & north Warwickshire for the past 11 years.

Recently, I took over weekly yoga classes at Hurley Village Hall. I lead a Yoga Slowly class on both Mondays & Tuesdays from 9.30-10.30am & a Yoga Flow class on Fridays from 9.30-10.30am

Yoga Slowly is perfect for those new to a yoga practice; whilst Yoga Flow is a fast-paced class suitable for those with previous experience or those who enjoy a physical challenge.

These classes explore many aspects of Yoga. As well as learning the yoga postures, we also study breathing, meditation & relaxation techniques. The ancient practices of yoga are great for both the body & the mind. We even delve into ancient yoga philosophy too! People practice yoga for many different reasons – physically, mentally & spiritually. So, whatever your intention, Yoga really does offer something for everyone. Many students currently attend these classes twice a week.

If you are interested in coming along to a class, you can find much more information over on my website. You can also contact me via phone or email (see above) if you have any other queries. I look forward to welcoming you to class soon.
