Warwickshire POLICE

Neighbourhood Policing Week at Coleshill SNT

Every week is neighbourhood week for us!

Week commencing Monday 17th January 2022 was Neighbourhood Policing Week. The team got out and about visiting local business, schools and our communities.

We conducted High Visibility patrols of our beat areas and loved to see our stunning rural views that surround our villages/towns.

We conducted school parking patrols to make sure parents/carers were parking safely and legally when dropping children to and from school.

We visited the local farming community and offered crime prevention advice.

It has been lovely getting out and about.

Off Road Motorbikes

Over the last month we have received multiple calls about off road bikes being a nuisance!

Our off road bike squad have been conducting patrols around the beat areas to try and tackle this form of antisocial behaviour. If you see or witness off road bikers doing something they shouldn't please report

A Turtle Disaster…

On Monday 11/01/2022 Coleshill officers got an interesting call…

Never a dull moment.

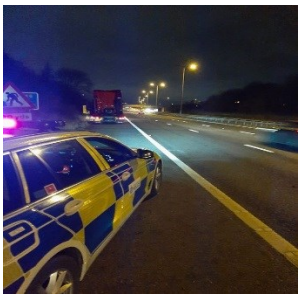

We received a call from control " We have had a report of an obstruction in the road can you attend Marsh Lane, Water Orton please as there is an upside down tortoise causing traffic issues"

Officers attended to find the "tortoise" was actually an exhaust box.

Don't Drink and Drive. Arrive Alive!

Stay sober whilst operating your motor!

During the evening of 18th January 2022, our OPU officers were called to an incident on the M6.

The driver of this lorry was reported originally as being in cardiac arrest having fallen out if his cab and ending up lay in Lane one of the M6 northbound at J2.

On police arrival the M6 was temporarily closed whilst numerous ambulance resources attended the male. It quickly became clear he wasn't in cardiac arrest. He was actually so drunk he couldn't stand up.
He was taken to police custody and breathalysed.

If you were delayed by his stupidity whilst we dealt with the incident then thank you for your patience.

Incident 385 of 11th refers.

The driver provided a reading of almost 3 times the legal limit and was banned from driving for 22 months and given fines/costs totalling £592.

It's a farmer's life

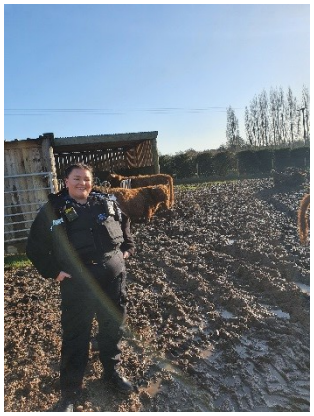

Coleshill SNT have been visiting local farms

On Thursday 20th January, PC Bird along with PC McKeown and PCSO Smith visited local farmers.

We spoke to them about their animals and vehicles and offered advice about how to protect their land.

We visited some of our more vulnerable farmers which we like to do, to show support and make sure they are safe and well.

It was lovely to meet Clifton the Donkey, Honey Bee the Cow and many more of the beautiful animals.

Our farming community is important to us and we will continue to support them.

For further information on animal/agricultural crime please visit our Rural Crime Team website on the following link:

https://www.warwickshireruralwatch.co.uk/newsite/

Still Focused on Road Safety

Coleshill SNT officers have issued multiple traffic offence reports for a number of offences.

Please be mindful of where you park and park appropriately.

Coleshill SNT have been conducting school parking patrols over the last week. We have issued 10 traffic offence reports for drivers who have been causing unnecessary obstruction.

If you are dropping off or picking up children from school, please be mindful where you park.

Stay safe.

Coleshill SNT have been conducting speed watch operation to tackle the ongoing speeding issues in our villages.

We have been to Station Road, Nether Whitacre and Coleshill Road, Ansley Common.

7 Traffic Offence Reports were issued to drivers who were exceeding the speed limit. The fastest speed being 44mph in a 30mph zone.

Please drive safely and stick to the speed limit.

And the beat goes on …

Coleshill SNT have been conducting high visibility patrols of the West and South beat areas.

Following reports of Anti-social Behaviour, Off Road Bikes and Fly Tipping, Coleshill SNT officers have been conducting patrols throughout the villages and towns.

We have been engaging with the local communities and trying to deter low level crimes happening in our lovely rural areas.

We will not tolerate Anti-social behaviour. If you see anti-social behaviour taking place, please report it to 101.

Community Engagement

Coleshill SNT have been out visiting local businesses…

We have visited several businesses on our patch this month to give crime prevention advice and engage with staff and the public.

PCSO Smith and PCSO Beale visited Kingsbury Water Park and spoke to staff members and visitors in the visitors centre.

They also went to Middleton Hall and spoke to new shop owners who were excited to talk about their business.

They even managed to get a photo outside the Aston Villa training ground (with permission from the security team)

We like to engage with our local businesses and offer support as and where we can.
