Mental Health Matters

Police officers wear many different hats.

On Sunday 6th February, the Safer Neighbourhood Officers from Coleshill were at the University Hospital Coventry.

Officers stopped a vehicle being driven by a male after his family raised concerns about his mental health. The majority of the shift was spent making sure that he was safe and had the right care and support around him.

A very expensive new car

On Friday 4th February, officers from Coleshill received a couple of calls about a vehicle driving erratically.

Police officers in North Warwickshire were made aware of a car driving erratically in the Nether Whitacre area after two separate members of the public called in with concerns. The calls stated that the car was speeding up and slowing down and at one point was travelling on the wrong side of the road.

After searching the area the car was located and stopped on the roundabout at Junction 9 of the M42. The officers were expecting to find the driving under the influence of drink or drugs….no. It was a new car and he hasn't driven it before! Not sure that's an excuse for driving on the wrong side of the road though and to make matters worse he hasn't bothered to sort any insurance out before making the journey from where he purchased the car to where he wanted to go in Woking! The vehicle was seized. The driver was reported for traffic offence and he was dropped off at the local train station to make his own way home. Bit of an expensive purchase.

Fraudulent Motor Insurance

On Tuesday 1st of February our OPU officers stopped a vehicle at Corley Services.

OPU stopped the VW Passat on the M6 Southbound Corley Services.

The vehicle was being used on foreign number plates.

The driver produced a fraudulent certificate of Insurance which appeared to have been made on a home computer.

The officers contacted the Insurance Company who had NO record of the policy.

The driver was reported to Court and the vehicle seized.

Please make sure when you use a vehicle that it has valid insurance and tax.

If you don't... Next time this could be you.

Community Engagement

Coleshill SNT are coming to a village near you…

On Wednesday 2nd March 2022, Coleshill SNT will be holding an engagement event at St Peters and St Pauls church in Water Orton.

The event will be on from 19.30pm till 21.00pm in the Robert Lloyd Room.

On Saturday 12th March 2022, Coleshill SNT will be taking the community van to Planters Garden Centre, Trinity Road.

The community van will be at Planters from 10.00am to 14.00pm next to the butcher's van.

The events purpose is so residents of our communities can come along and talk to us about any police issues they are having or if it isn't a police matter we can point them in the right direction.

We will be joined by our wonderful Neighbourhood Watch team at both events. They will be offering out several alarms, locks, etc available to buy.

We are looking to book some events in the upcoming months in other villages so we can visit as much of our patch as possible. If these events are popular, we will look to make them a regular occurrence.

Please come along to meet us and have a chat.

We look forward to seeing you there.
