Balfour Beatty VINCI Working in partnership with HS2

Notification

Notice of works in Curdworth and Middleton

November 2021 | **www.hs2.org.uk**

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We will be constructing accesses and satellite compounds across the HS2 route, in Curdworth and Middleton, to create a working area to commence the construction of the HS2 line, starting in November 2021. The first activity we will undertake is to create construction access roads and set up satellite compounds in our working areas (see map on pages 2 and 3).

The following works will be undertaken and will continue through 2022. We will:

- Continue site surveys across the working area.
- Receive deliveries of stone and materials to create the working areas
- Create construction access roads which will require works to develop bellmouth accesses off the local highway. These are temporary roads provided within a working area to allow for the movement of construction materials, construction machinery and/or construction staff around the site. Access roads are Balfour Beatty VINCI's preferred logistical transport link, as they reduce the number of vehicle movements interfering with the existing local road network and provide the greatest possible control over works activity.
- Set up satellite compounds within our working areas to provide office and welfare facilities for our staff.
- Where construction access roads cross highways, bridleways and public footpaths, controlled crossings will be put in place to ensure public safety.
- Install drainage, undertake ground investigation surveys, and divert any utilities which are located, within our working area.

When these works will take place

These works will take place from November 2021 and continue through 2022. Access to properties will be maintained during these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

These works will take place from November and through 2022.

Our working hours will be 8am to 6pm weekdays and 9am to 1pm on Saturday.

Our workforce will be on site 1 hour before and after to set up and take down our work equipment.

What to expect

Low levels of noise from our machinery.

Delivery of equipment, machinery and portacabins.

Essential surveys and utility works in and around our working area.

What we will do

Inform you in advance of any changes to the date shown.
Keep all sites safe and secure.
Ask you to register with hs2inwarwickshire.co.uk to receive updates.

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter
We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
