NEW BUS SHELTER FOR HURLEY

After many months of waiting to get all the required processes passed, we now have the go ahead to order the shelter for Knowle Hill, Hurley. The safety audit has been completed and all the various departments at WCC have agreed that the shelter can now be installed. It usually takes a couple of months from the order date for it to be delivered and fitted.

NEW DOG/LITTER BIN FOR HURLEY

Also following requests from local residents that there was no bin in the area of the 'black path' off Meadow Road we have also taken delivery of a new bin and are waiting for it to be fitted

A MESSAGE FROM COUNCILLOR ANDY JENNS

I would like to thank everyone who voted for me at the County Council election in May. It is a great honour to have been re-elected to represent the area at Shire Hall and I will do my best to serve residents and stand up for local interests at all times. I have always believed it is a councillor's duty to put their area first and this is what I will continue to do.

As the Covid restrictions hopefully continue to ease I would like to resume holding face to face councillor surgeries. In the meantime, anyone wanting to get in touch about a local concern or a council-related personal matter can reach me by email at andyjenns@warwickshire.gov.uk

The County Council is responsible, among other things, for Highways and footpaths, street lighting, Adult Social Care, Children's Services, waste disposal sites, libraries, Museums, County Parks and the Fire and Rescue Service

KINGSBURY and BAXTERLEY GROUP OF CHURCH

Now we can concentrate on the increased opportunity to meet in person, for the time being there will be no more weekly video offerings of worship. However the Tuesday evening services of Night Prayer on facebook and zoom will continue.

I am in a much better position to visit people in person, so if you would like a chat do phone me to arrange a visit. I have had both vaccines. **01827 874252: revjohn@kingbaxgroup.org.uk**
